We are an older couple looking for someone to help with our gardening on a part time, occasional basis. Right now, there is a fair amount of weeding, ground prep, planting, etc.

Person must be of good character, strong enough for some heavy duty digging and willing to work hard.

Hours can be arranged around class schedules and we are willing to pay up to $15.00 an hour.

Must have own transportation, however, CATA does run to the Lansing Mall not far from where we live.

I can be contacted by interested persons at 517 721 1648. If no answer please leave a message.
