POSTING
Large residential yard in Jolly/Cedar area of Lansing requires significant work. Known problems include:
Uneven, bumpy;
Former vegetable garden to be converted back to lawn;
Lots of weeds and moss;
Some grubs have been detected; and
Some very sparse - bare areas.
Owner seeks knowledgable and responsible individual to develop a strategic plan and perform appropriate services resulting in a healthy lawn. Payment to be negotiated. If interested in seeing this project through to a good outcome, please call Sue at 517-285-3415.
