VINEYARD ASSISTANT NEEDED – NORTHWEST MICHIGAN

WaterFire Vineyards in Kewadin, Antrim County, Michigan, is seeking a seasonal vineyard assistant—35 hours per week from April-Oct/Nov 2014. Responsibilities will include assisting with all vineyard maintenance: pruning, tying, canopy management, pest management, vineyard, floor management, equipment maintenance, etc. Starting wage is $10/hr.

Grape growing experience is not necessary. But we do value an interest in agriculture, science, conservation, and a willingness to learn.

Experience with farm equipment and mechanics is a benefit.

Please email or mail your resume with a cover letter explaining why you would like to work for our company.
