Willamette Landscape Services, Inc.

Maintenance - Design - Enhancement - Irrigation - Water Conservation - Natural Solutions

Willamette Landscape Services is an Oregon owned business that specializes in serving Condominium, Townhome, HOA & other Community Association entities. Since 1997 we have been providing responsible care for the common areas of these communities throughout the greater Portland area. We proudly practice horticultural methods that result in the greatest long-term value for our clients. Expand your landscape and horticultural knowledge, while getting paid! Opportunities for inter-department training are available. Come see what the Pacific Northwest and WLS have to offer you!
