Company Name: The Briar Patch Greenhouses

10206 W Q Ave.

Mattawan, MI 49071

We are a family owned retail/wholesale greenhouse operation. Looking for someone desiring to work in a retail environment. Job includes lifting, stocking, cleaning, helping customers, weeding, maintaining a clean well put together displays and grounds, planting. Looking for a positive hard working attitude, good base of plant knowledge, and enjoyment of working outside. Because of our small size, you can learn all aspects of running a retail garden center and greenhouse operation. You may be stocking fairy gardening plants, putting together a perennial display, helping someone pick out a shrub for their landscape, maintain our display garden, pot up shrubs for next season and much more.
