POSITION ANNOUNCEMENT

Position Title: Greenhouse Supervisor

Required Qualifications and Education: Minimum of a BS in botany, horticulture, greenhouse management, or related field; applicants with relevant MS degrees are encouraged to apply. Demonstrated experience in greenhouse operation and management and an ability to interact professionally with faculty and staff are required.

Responsibilities – Essential Functions: The Greenhouse Supervisor will supervise the new 2500-ft² teaching and research greenhouse of the Kindschi Hall of Science. The Greenhouse Supervisor will be responsible for operation and routine maintenance of the greenhouse control system, operation and routine maintenance of the greenhouse mechanical systems, operation and routine maintenance of growth chambers and light carts, purchasing of materials and supplies, supervision of student employees, plant propagation, and daily care of the botanical collections. In addition, the Greenhouse Supervisor will support plant needs in all relevant courses (e.g., BIO 109, 303, 309, 333, 403, 423, CMB 406, 426, and others), provide support for students and faculty using the greenhouse for research projects, and provide additional assistance to students, faculty, and staff in all matters related to the botanical collections.

Salary: Commensurate with education and experience.

Department/Division: Biology; College of Liberal Arts and Sciences

Campus: Allendale

How To Apply: Apply online at www.gvsujobs.org. Include an application letter, CV or resume, statement of professional aspirations for this position, copies of transcripts, and contact information for three references.

Application Deadline Date: Review of applications will begin on September 30, 2015 and the position will remain open until filled.

Allendale, Michigan 49401 - (616) 331-5000
