We’re hiring 4 rising seniors for a summer internship.

12-WEEK ROTATIONAL PROGRAM:

FIRST PHASE 6-week rotation

4-day work week in the field – 1 day per week mentoring by shadowing a team member to gain understanding of and observe work flow in sales, design, and administration.

- Landscape Construction
- Residential Maintenance
- Commercial Maintenance
- Lawn Care
- Floriculture
- Irrigation Service

SECOND PHASE 1 week

Internship project - One week service project to be completed by all interns in the 2015 program. This is a chance to make a lasting impact by improving a company challenge while working with key managers and executive team members.

THIRD PHASE 5-week chosen focus

Five days per week in the field focused in one of three areas of your choosing:

- Landscape Construction
- Maintenance – Commercial / Residential
- Lawn Care

BI-WEEKLY INTERN FUN EVENING

Bi-weekly gathering with fellow interns and mentors of the Green Team to engage in fun activities, experience living in the Triangle, give and receive feedback, discuss the program, and socialize.
