GREENHOUSE INTERNSHIP AVAILABLE JANUARY 2015

HEARTLAND GROWERS is a 24 acre wholesale greenhouse facility located approximately 15 miles north of Indianapolis. We are currently ranked in the Top 100 Growers by Greenhouse Grower magazine and are searching for a qualified candidate who will benefit from employment in our fast-paced and fully automated facility.

Job Title: Greenhouse Internship, Available from January 2015 through August 2015

Contact Name: Tom Samuelson, Grower

Phone: (317) 896-9355 ext. 161

E-mail: tom@heartlandgrowers.com

Educational Requirements: Must be currently enrolled in a two or four year college or university.

Experience Requirements: Previous greenhouse experience is preferred, but not mandatory.

Specialty Requirements: Candidate must enjoy plants, have a positive attitude, be detailed oriented, and willing to learn all aspects of greenhouse work. Our main focus is growing bedding plants, garden mums, and poinsettias. You will be exposed to all aspects of growing plants: growth regulators, moisture, fertility, pest and disease management as well as product and variety selection. Exposure to a high volume plant production facility will benefit any candidate considering a career in the Floriculture field.

Please send resume to our facility either by emailing our contact above, or by fax at 317-896-2732 to the attention of Tom Samuelson.
