Part-time Greenhouse Help Needed

The Plant Biology Teaching Greenhouses and Conservatory is seeking an additional person to help maintain our facility. Applicants should be self-motivated, reliable, observant, able to follow directions, and willing to get really dirty. Hours are up to 29 per week and include most weekends and holidays. The position is temporary, but there is the possibility of extending the role into the school year. Students and non-students are encouraged to apply.

Duties include but are not limited to:

- Watering plants in pots and in the ground.
- Weeding greenhouses, including pots and floors
- Repotting plants
- Propagating new material
- Keeping greenhouses clean
- Taking out trash
- Maintenance of water features

Please direct inquiries to Lisa Voldeck at lvoldeck@msu.edu
