Showcase your school and your outstanding students! National Association of Landscape Professionals is looking for students to participate in LANDSCAPES (previously the Green Industry Conference (GIC), October 21 - 23, 2015 in Louisville, Kentucky.

NALP is seeking students to assist staff by introducing speakers in the educational sessions, assisting members in registration, participation in the GIE+Expo trade show and a wide variety of other duties. A real “behind the scenes” experience. This position places students in direct contact with top leaders in the industry, many who will be seeking out student candidates for future employment opportunities. Ambassadors are also provided with the opportunity to establish a high-level networking and mentor opportunity through their face-to-face involvement and contact with our leadership and members.

Do you have that special student….one that is personable, friendly, outgoing, helpful and exhibits the qualities to become an asset to the landscape industry? If so, this is the student we are looking for!

Student Ambassador Benefits:

- Complimentary registration to LANDSCAPES for student and their professor.
- Free hotel room (two student ambassadors per room)
- Enrollment in the employer recruiting session
- Attendance to select educational events
- Breakfast & Lunch
- Expense stipend of $50 per day, for the three day event and payable at the end of the conference.
- Press release and event photos are shared with students for their school news!

Do you have that special student? Please encourage them to apply TODAY to this elite student program. An application and guidelines have been attached.

Applications must be submitted to NALP by fax or email by September 11, 2015

Email: betsy@landscapeprofessionals.org
Fax: 703-736-9668

Students will be notified by September 25, 2015

Thank you for your participation.

Betsy Demoret
