Horticultural Technicians Wanted (Detroit Metro)

Compensation: **$9 - $12 per hour**

DO YOU LOVE PLANTS? DO YOU HAVE A KNACK FOR TAKING CARE OF THEM? Horticultural technicians are wanted for taking care of indoor tropical plants, trees, and flowers in office buildings, shopping centers, hospitals, etc. in the Oakland, Macomb and Wayne county areas. Full and part-time positions are available

Experience is preferred, however, training is available. Great customer service skills are essential, as well as a green thumb. Technicians basically work on their own, so they must be motivated, be a self-starter, and pay close attention to detail. Must be able to physically perform such duties as watering, cleaning, fertilizing, pruning, and identifying plant pests and diseases. Some lifting may be required. Must be a hard worker and have your own transportation. There can be much driving with this job, but mileage is reimbursed.

Please send resumes to info@naturescreation.com
