Now Hiring... Landscape Crew Leaders & Landscape Installers

Rivertown Landscapes is an Award-Winning, established Landscape Design / Build company based from Rockford, Michigan. Our mid to high-end landscape projects are located throughout the greater Grand Rapids and Lake Michigan shoreline areas.

Combine your Horticulture education & interest with Rivertown Landscapes for a rewarding career in the Residential Landscape Industry.

Great summer job for those who enjoy active outdoor work while beautifying and creating outdoor landscape environments.

Applicants with previous professional work experience with Residential Landscape Construction or a similar industry is preferred, but not necessary.

Successful applicant qualities include, but not limited to: able to communicate well with others, work in small groups or individually without direct supervision, able to learn new tasks and lead others through task completion, able to stand, stoop, and bend throughout the work day, able to lift up to 60 lbs throughout the work day, and enjoy working outdoors in varying weather conditions. Duties include, but not limited to: manual labor with or without the use of power equipment for site preparation work, installing edging, plantings, retaining walls, pavers, and spreading soil & bark mulch.

A valid Drivers License with transportation to/ from our office or jobsite is required. A pay incentive is available to applicants with a valid Class A, Michigan Commercial Drivers License with air brake endorsement, or if qualified to obtain. Typical work schedule is Monday through Friday 7:00 am to 5:30 pm. Some half day Saturday work is required during the peak season. Positions pay hourly with overtime.

To apply, email your resume, if available, to: info@rivertownlandscapes.com and request our employment application.
