We wanted to remind everyone on our college and university contact list that we are now accepting applications for the 2015 West Michigan Whitecaps Internship Program. The first internships begin right after January 1st, with other programs starting before our season begins in April. Our current program consists of the following internships:

Ticket Achievement Programs
Group Sales
Promotions
Video
Operations (2 positions)
Groundskeeping (3 positions)

Full-time start date availability and academic credit: Please note (and share with potential applicants) that all of these internships are full-time. We are either looking for people who have a semester designated for an internship or who have a very light course load with lots of flexibility. The best applicants are going to be college seniors, graduate students or college juniors. In addition to the start date availability we are asking that all internship applicants be taking the internship for academic credit. We are confident that this will strengthen the educational value of our internship programs.

If your students have questions about our internships, the best place to start is our website: http://www.milb.com/content/page.jsp?sid=t582&ymd=20101006&content_id=15438980&vkey=team4. Let us know if we can answer questions too.

If you are receiving this in error please let me know and I will take you off our list. If you have someone you think should also be receiving information about Whitecaps internships please ask them to contact me via email.

We’re looking forward to another great group of interns. Thanks for your partnership in promoting our program.
