DJ’s Landscape Management, Inc. is West Michigan’s largest Landscape Management Company. We provide Landscape Management along with Snow & Ice Management services to commercial clients throughout the Grand Rapids, Holland, Muskegon, and Kalamazoo areas. We’ve been exceeding our clients’ expectations for nearly 20 years, and this has resulted in abundant growth for our company and our careers. We are proud to boast an 85% internal promotion rate for Supervisors, Managers, and Officers. However, we are always looking for driven and talented people to join our Team at all levels and make a positive impact in their own life as well as in the lives of our Customers and fellow Team Members. Come grow with us!

Tree Climber

In this active role, you will be using climbing and rigging techniques to improve the appearance, health and overall value of the trees on our commercial clients’ properties.

Comprehensive Benefits:
Health Insurance, Flex Plan, AFLAC options
Retirement planning with company match
Life, Accidental Death & Dismemberment and Long-Term Disability Insurance
Advancement opportunities

Responsibilities Include:
Perform all required ground man, climbing, and aerial lift duties in support of specific job assignments
Operate equipment, such as chain saws, boom trucks, brush chippers, stump grinders, skid steers, and other equipment and tools
Fine pruning, structural pruning, and full removal
Proper pruning techniques and overall quality standards
Adhere to all safety rules and company safety policies

Position Requirements:
1+ years professional tree climbing experience
CDL license or the ability to obtain one
Ability to identify basic trees and shrubs
Leadership experience and skills
Desire to work with a team to accomplish goals
Urgency to grow and improve

“Our vision at DJ’s is to be recognized as an employer of choice, the top landscape company in the state of Michigan, and to continue experiencing rapid growth. With the goal of expanding throughout Michigan creating additional locations.”
