LAWN MAINTENANCE POSITION

Lewis’ Lawn Service is currently hiring for the upcoming season. Service area includes approximately 85 homes, 10 condominium complexes and several commercial buildings in Grand Traverse County. Snow removal services are rendered during the winter months.

Experience is preferred, but willing to train the right candidate in operating a variety of commercial mowers and trimming techniques.

Primary duties include seasonal cleanups, performing a regular mowing route and occasional general labor projects.

Candidate must possess a valid driver’s license, with reliable transportation to and from the maintenance building. Be available to work 8am to 5pm, Monday-Friday with Saturdays reserved in case of a rain day.

Candidate must have a strong work ethic, be punctual, detail oriented and have the ability to work safely, efficiently and independently.

Hourly rate will be paid commensurate with experience. Work will commence April 4th, weather permitting.
