**Horticultural Maintenance Team Member, seasonal position**

The Mossy Tree LLC is well known in the Traverse City Area for maintaining, refreshing and creating garden spaces with an emphasis on soil health and minimal use of pesticides. If you share this passion, we want you to be a part of our team! Our season typically runs from April –November, depending on the onset of spring. This position is 4-5 days per week. Work days are typically 8am to 4:30.

Ideal candidates for this position will possess:

- Good physical fitness, stamina, ability to lift 50 pounds, and endure seasonal temperatures as working conditions will require constant outdoor work.

- Must be personable, self-motivated and happy working with clients and other staff in a cooperative team setting.

- Basic knowledge of horticultural practices such as planting, watering, weeding, fertilizing, mulching, pruning.

- Valid Michigan Driver’s License (Chauffer’s preferred) and good driving record.

- You must have your own cell phone.

The Mossy Tree LLC offers our team members:

- Competitive pay depending on experience

- A positive, professional work environment

- Retirement plan after 2 years of employment

- Opportunities for professional development
