Three C’s Landscaping- Forestry/ Tree Climber

As a company, we are constantly exploring and redefining the relationships between a home, its landscape, and the surrounding natural environment. Our professional staff will work directly with our clients to create a balanced relationship between indoor and outdoor spaces. We have talented and experienced landscape architects and designers on staff, as well as highly skilled craftsmen capable of taking a project from concept to completion.

Job Duties/Responsibilities

The tree climber will be responsible for assisting the tree crew foreman in the completion of all tree care related tasks, with a strong knowledge of the essential functions in this description.

- Demonstrates working knowledge of ropes and knots
- Climbs trees using ropes and saddles without the use of spikes
- Operates chain saws and wood chippers
- Maintains a strong background in tree identification
- Performs other related duties as required and assigned

Work Environment

- Every day will be spent in an outdoor work environment with the use of the tools and equipment associated with tree trimming and removal

Position Type/ Expected Hours of work

- Full time or seasonal position 40-50 hours per week
- Monday through Friday (possibly Saturday if needed)

Education and Experience

- Bachelor’s degree in urban forestry or field training in the tree care industry a plus
- Previous employment experience
- Chauffer’s license, CDL a plus
