Internship Job Description

We are looking for a hard working dependable person to work as a crew member for a small design/build landscape crew.

Location: South Lyon, MI 48178

Starting rate: $14/hr + overtime and bonuses.

Core Capabilities:
• Excellent physical stamina
• Team work
• Responsibility and dependability
• Ethics and integrity

Job duties:
• Follow the instructions of the crew leader.
• Maintain a fast pace throughout the day without producing sloppy work.
• Work as a team member and take initiative to help others when needed.
• Operate various tools and equipment, including: chainsaws, laser levels, measurement equipment, shovels, hammers, etc.
• Must possess a valid driver's license.
• Carry and use a phone.

If you are interested in this position, please send me an email with your resume attached. I will get back to you within 2 business days. From there, we will schedule an interview time to determine if you are the right fit for the available position.
